

The Boot Camp

Students completing the entire Boot Camp will receive school supplies. You must be present each day of the week. Students may bring with them their personal laptops if they believe they can be responsible for the safe keeping of the laptop. There will not be any place to store personal belongings in the library. Students are responsible for all personal belongings.

A certificate will be presented to each child completing the Boot Camp.

**Books are just the TIP of the ICEBERG
of what we have to offer you!**

Homework Assistance Schedule

The following branches will provide after school homework assistance on the days listed below beginning September 2017.

Monday	6:00 pm	Rufus Lewis Library	240-4848
Tuesday	5:00 pm	Coliseum Branch Library	271-7005
	6:00 pm	Morgan Library	240-4999

Internet Etiquette

Session 1

9:30 AM -
10:45 AM

Protecting Yourself from Cyber-bullying & Using Social Media as a Platform to Build Your Brand Versus Damaging It

Cyberbullying has resulted in an increase of unfortunate events specifically among adolescents. In light of these events, this workshop will focus on the dangers of the Internet. Additionally, it will describe how social media can be helpful or harmful in permanently tarnishing your brand.

Session 2

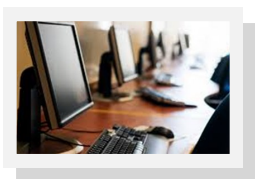

10:45 AM -
12:00 PM

Students will be creating a simple slide presentation using design templates.

Computer Lab

Notes:

Computer Lab Sessions

July 10 – 13

10:45 am-12 Noon

Date	Grade	Class	Session Leader
July 10	9-12	MS PowerPoint 2010 Students will be creating a simple slide presentation using design templates. The course will also include editing and customizing each slide, by adding custom animations, transition effects, sound and insertion of graphics and links	LaRuth Martin
July 11	9-12	MS Excel 2010 Students will be identifying and navigating the basic features and elements of the MS Excel window. The class will also include building a simple budget spreadsheet, using data entry and cell navigation skills, formatting and editing spreadsheet data, using common and unique formatting features and creating a chart based on the simple budget constructed in class.	LaRuth Martin
July 12	9-12	MS Word 2010 Students will develop a resume through the template section of Microsoft Word. The different templates will help to organize skills, education and experience in a format that is easily understood. Once the resume is completed, students will be taught to save their documents to their personal e-mail.	LaRuth Martin
July 13 9:30am - 12:00pm	9-12	Databases (See Thursday)	LaRuth Martin
July 14	9-12	NO CLASS	

Seating for Computer Lab classes is limited and students must be registered on a class by class basis. Classes will be closed when the available seats are filled.

Classes are subject to change

Friday, July 14

Session 1

9:30 AM - 10:00 AM - Know Your Library – library tour with Suzanne Horton

Session 2

10:00 AM - 11:00 AM - Let Your Voice Be Heard: Voting and Civic Duty—Dr. Alecia Hoffman of Alabama State University’s Department of Political Science Department will talk to the students about voting rights and civic duty. Dr. Hoffman teaches American Government and State and Local Government where the topic of voting is discussed in classroom lectures. Furthermore, she is the campus adviser for the College Democrats of America where she and the students that are a part of the organization diligently work to educate the student body about civic engagement.

*Middle School and High School groups will combine again for these events.

Session 3

11:00 AM - 12:00 PM - Graduation Ceremony with Tim Berry and Boot Camp Librarians.

Wednesday, July 12

Career Choices: Making Your First Resume

Session 1

9:30 AM - 10:45 AM

Students will research specific professions, job types and career paths and gather information to create a “dream” resume. If students have work and volunteer experience they can create a functional resume.

Session 2

10:45 AM - 12:00 PM

Students will use the information they gathered in the morning session to create a “dream” or functional resume using Microsoft Word. Students will learn additional formatting tools to help them with this software. Bringing a Flash Drive/Memory stick is encouraged.

Computer Lab
