

The Boot Camp

Students completing the entire Boot Camp will receive school supplies. You must be present each day of the week. Students may bring with them their personal laptops if they believe they can be responsible for the safe keeping of the laptop. There will not be any place to store personal belongings in the library. Students are responsible for all personal belongings.

A certificate will be presented to each child completing the Boot Camp.

**Books are just the TIP of the ICEBERG
of what we have to offer you!**

Wednesday, July 11 **Finding Inspiration @ Your Library**

Session 1
9:30 AM - 10:45 AM
Boot Campers will scour the library for a book, magazine or any other item that brings inspiration (including people, furniture and architecture) and then use that inspiration to create a work of art. The creation can be a poem, a song, a story, a painting or drawing, a photograph or sculpture. Local artists and librarians will be on hand to assist in the creation of these library inspired pieces of art. If students wish to do so, they can present their finished projects during the Boot Camp graduation ceremony on Friday.

Session 2
10:45 AM - 12:00 PM
Word (Office 2016)
The first half of the session, students will find inspiration from our many resources in the library. The second half of the session will involve the students using MS Word to express those inspirations on paper.

Finding Yourself @ the Library

Session 1
9:30 AM - 10:45 AM
Today is all about your personal history. Once the Boot Campers provide some information, we will use physical library resources and databases to connect the students to the past. From cost of living to major historical events, we will make history real and showcase the vital part that the past can play in their future.

Session 2
10:45 AM - 12:00 PM
PowerPoint (Office 2016)
Students will use the library's resources and databases to create a presentation on their personal history. Once the presentations are complete, they will present them to the rest of the class via smartboard.
