

Registration for Homework Assistance Program at the Library

The Montgomery City-County Public Library Homework Assistance Program provides homework help from volunteers and library staff to students in grades K - 12. Homework Assistance sessions will occur on Monday, Tuesday, Wednesday and Thursday evenings beginning September 6, 2016. (See a copy of the Homework Assistance Schedule for locations and times). Students must register and have a library card to participate. Library cards are free to residents of Montgomery County. Proof of residency and parental signature are required for a student to acquire a library card.
