

# Brewbaker Technology Magnet High School

## Summer Reading List

### 2014

The summer reading list allows students to prepare for the upcoming school year. A quiz will be given on all summer reading selections within the first week of school. Class discussions, essays, and tests will follow throughout the first quarter. While completing summer selections, students should take suitable notes in preparation for both written analysis and class discussion. Students should bring to class questions and thoughtful insight about their reading.

#### **Pre -AP English 9**

*Fahrenheit 451* - Ray Bradbury  
*Adventures of Huckleberry Finn* - Mark Twain
